Dear Sir,

I undersign Olivier CHAURY, Master of the Multi-Purpose Supply Vessel BOURBON PEARL attest that Mr. David CROSS held the position of OCM from the 20th of July 2017 to the 29th of August 2017.

The Vessel was engaged in Gas Buy Back Commissioning of JUNIPER Wells Site, in Trinidad an Tobago waters for BP T&T Client.

During this period, Mr. CROSS was in charge of :

- the proper application of the Company policies & Safety rules,
- the follow-up of the Company Safety program,
- the constant communication with Client on the Wells Commissioning aspects,
- share & explain the Client Task plan for Commissioning,
- the development of specific Risks Assessments in coordination with the Vessel's Team,
- the pre-task planning leading for Commissioning purpose,
- the leading of the daily meetings for all operational aspects.

Mr. CROSS have a strong background on Constructions Vessel. His professionalism & knowledges on safe practices were highly valuable for process improvements & ensure safe operations during all Commissioning in liaison with Vessel's Master & Chief Officer. His proactivity was appreciated for improve the Safety culture in accordance with Company & International Rules in force onboard.

Regarding his expertise and experience, I recommend Mr. CROSS as OCM on future Projects.

Olivier CHAURY  
Master of MPSV BOURBON PEARL  
Trinidad & Tobago, the 29th of August 2017
