**REFERENCE LETTER for MR.DAVID CROSS**

ATTN:  
Michel Podgaietsky  
Managing Director  
IOORS B.V.  
Holland.

Dear Sir,

This letter serves to recommend Mr. David Cross for the role of Offshore Construction Manager based on his leadership, professionalism, expertise and involvement in the role onboard the Bourbon Pearl.

I worked with David for the last 4 weeks on the BP Juniper Project and related works. David was working in the role of OCM for Bourbon Offshore.

He is a great OCM whose technical ability and experience was above average. He is serious about his job and conducts himself in a very professional manner.

Best regards,

A handwritten signature in blue ink that reads 'Keith Lewis'.
